ROUND ABOUT GOTHAM. TALK OF THE WEEK IN THE ME-TROPOLIS.

Capital Way to Dissipate a Fortune-Catthroat Competition Among Women-Fashions for the Cold Weather-Pretty

and Artistic Costumes - Fads and Fancies NEW YORK, October 11.-[Special Correspondence.]- "There are said to be three infallible ways of getting rid of a fortune." remarked a traveled member of the Four Hundred, who is also a veteran first-nighter. "I remember veteran first-nighter. "I remember Webb say that the remedy for super fluous wealth was either to run up theatre, start a newspaper, or set up a standing army, but I think a fourth may easily be added."

sionally. You statle; but let me as-sure you that it is by no means the least costly experiment of the fourpersonally happen to know of at least half a dozen fortunes that have been gobbled up by those dainty epicurians who, when they find a susceptible wor-shipper, seem to be under a vow to eat

would eat through a whole bill of fare algost, and when I was beginning to recken the possible cost of the little treat, the divine Guilia would stretch

ave to wait weary periods for scholars. Icw people can have them, you see.

sions to relieve the strain. Medicine is by long odds the most promising. How many women doctors does New York support handsomely? You may count them on your fingers. The wages of the trained nurse, though still good. The central promise in their new fall frocks, and equally interesting to look on. In the orchesting to fall. How many women dentists has the city? Three, How many lawyers? One. How many lawyers? One. How many leverspaper women? A handful who earn excellent wages, and a skirnish line of free lances whose board bills are often overdue. A young law

aits line of free lances whose board bills are often overdue. A young law-yer who advertised for a bousekeeper at \$16 a month had over two hundred women blocking the passageways.

What doesart work mean? A few little samples of water colors or decorative menus hopefully placed under glass for a sign at the door of the boarding house, and months of hand to hand wrestle with fate, with destitution in the background and hunger and cold starting in the middle distance, with last elusters of towers, and pearloperal than defeat almost certain, if indeed the rout stop short of death or a drawing-board stretched between two chairs, as happened to a young girl with ambitions some time ago.

What is a woman to do? This is what tions some time ago.

What is a woman to do? This is what one woman is doing: Ten years ago, or thereabouts, she graduated with honors from one of the best schools in the country. Her father gave a graduation party for her and a brilliant career was

sponsibility simply for pair money, re-fuse to hold their services at anything like the normal market rate, but act without capril de corps, like a swarm of cabs, cutting rates every season, so sat not far away and looked at her with long as both these causes produce such evident admiration. Her complexion
